PE and School Sport

Arena Membership Plus Offer 2024-2025

In response to a number of schools wishing to purchase more than one support day and/or more than one block of coaching support, we have the Arena Membership Plus Offer. This will offer schools better value for money as they will be able to purchase support days and blocks of curriculum delivery at a discounted rate. ***We have bronze silver and gold packages in PE, health and well being or wild tribe. Please see the separate packages offer. Any items * below can be chosen as part of these packages. Please note we can develop bespoke packages for schools.***

***Eligible for Specialist Support Days within the membership plus offer**

NEW FOR 2024-2025

Promoting PE, Health and Wellbeing and Outdoor learning

Linked to Key Indicators 1, 2, 3 and 4	<p style="text-align: center;">Inclusion – PE</p> <p>Do your staff know how to include all children in PE? Do your children understand equality in PE and school sport? We can design a bespoke day to suit the needs of your school. This could be a 'Girls active' day, a day working with 'SEND pupils' and or vulnerable pupils alongside supporting in up skilling staff in these areas. We will design the day with you to ensure maximum impact</p>	£360
Linked to Key Indicators 1, 2, 3, 4 and 5	<p style="text-align: center;">Day of Gym - PE</p> <p>We will send a gym specialist into your school to work with up to 4 of your classes in a day. They will develop key skills as identified by you as a school. Teachers will be able to build on their own skills and use the gymnastics routines and ideas developed with their class to further extend the children's knowledge in gymnastics</p>	£360

<p>Linked to Key Indicators 1, 2, 3, 4 and 5</p>	<p>Festivals of sport – Leadership and intra competition Do your children take part in intra competitions? Do you have leaders who could lead events for other children? We will design a festival of sport for your school. KS2 leaders could be trained to lead a festival for KS1 pupils. Alternatively, you may want all KS2 to take part in an intra competition in sports of your choice. A festival of sport can involve many pupils teaching the skills of leadership, participation and competition, and communication</p>	<p>£335</p>
<p>Linked to Key Indicators 1, 2, 3 and 4</p>	<p>Superheroes Day- Health and well being Do you want to be a superhero? We will use fun and interactive games, stories and activities through the theme of the superheroes. Children will develop their confidence, communication and team building skills. The day will also support children to learn strategies to cope with anxiety, worry and anger, through the development of their 'Super Powers'! This day can be delivered as a Key Stage 1 day or Years 3 and 4</p>	<p>£335</p>
<p>Linked to Key Indicators 1, 2 and 4</p>	<p>Sustainability and Climate change development support day Does your curriculum include the teaching of climate change and sustainability? Could you teach this through the outdoors? We can support you in the development of this strategy through outdoor learning and training for your staff. We can develop a bespoke programme to support you in developing this area of the curriculum. This work is underpinned by evidence-based research which has been recently published 'Sustainability and Climate Change KS2 Outdoors'. One of the authors of this book will support your school to develop your unique curriculum</p>	<p>£360</p>
<p>Linked to Key Indicators 1, 2, 4 and 5</p>	<p>3 Beach challenge – Outdoor Learning We will teach children the basic skills of navigation through this new innovative programme. They will learn how to navigate their way initially in the school grounds. This will be a 2-hour session at your school. These skills will then be put to the test as the children will then take part in a 3-beach challenge which is a one-day event</p>	<p>£335</p>

In response to the Sustainability and Climate change policy for schools we have developed the following programmes

<p>Linked to Key Indicators 2 and 4</p>	<p>Earth Tribe SOW Climate change inset training and Schemes of Work package. In response to the Climate Change curriculum we have developed some schemes of work which are science based, can be delivered in the outdoors and will answer the needs of the new climate change curriculum. We have schemes of work in EYFS, KS1 and KS2</p>	<p>£360</p>
<p>Linked to Key Indicators 2 and 4</p>	<p>Earth Tribe Leadership award This is a one day course for children who have the potential to become climate change ambassadors across your school. We will teach your children to lead activities across the school in a fun and engaging way. The activities will be delivered in the outdoors. This will raise standards and increase engagement in science and literacy and develop leadership</p>	<p>£250 one day</p>

<p>Linked to Key Indicators 2 and 4</p>	<p align="center">Earth Tribe 'Rewild' programme</p> <p>This can be delivered as a one day programme in your school. We will work with your children to identify an area or areas within your school which could become a focal point for promoting climate change and develop a 'Rewild' area. We will work with your children to develop this area, it could be a garden to attract insects, an area to collect water, or wild life area which needs a new lease of life. This day will be designed to meet the needs of your school.</p>	<p align="center">£385 one day</p>
--	--	---

Health and Wellbeing - Sugar Smart

In response to a significant increase in the rise of both obesity and diabetes in children we have developed a range of programmes which are all aimed at encouraged children to become Sugar Smart.

<p>Linked to Key Indicators 2 and 3</p>	<p align="center">*Deep Dive in PE</p> <p>We will spend the day with you at your school to support you in preparing for a deep dive in PE. We will take a look at your website and your PE action plan. We will work with you to review your PE provision, skill progression over the key stages and look at how you can evidence progression in PE. We will look at staff development and how staff are supported in the teaching of PE. What role health and wellbeing plays in your school and look at the impact PE has on the whole child. The day will guide you through the latest Ofsted guidance on a deep dive and ensure your school is ready and have the evidence to go through a deep dive in PE.</p>	<p align="center">£380 one day</p>
--	--	---

<p>Linked to Key Indicators 1, 2 and 4</p>	<p align="center">*Healthy Hearts Healthy Minds KS1 and KS2</p> <p>In response to the rise in anxiety amongst children we have put together this programme to support your pupils. This will support children with exercises which helps them with their thoughts and feelings. Children will take part in mindfulness sessions and relaxation session through Yoga and Pilates. They will also have some fun taking part in Zumba sessions. With the ability to relax and with an increased awareness of how they are feeling, children should experience less emotional reactivity and a greater ability to listen and communicate more thoughtfully and effectively. This programme links to the RSE health education guidance outcomes.</p>	<p align="center">£335 one day course or £650 6 weeks 2 hour sessions</p>
---	--	--

<p>Linked to Key Indicators 1, 2 and 4</p>	<p align="center">*Healthy Movers KS2</p> <p>In response to the new Governments (RSE) and Health Education Statutory guidance 2019 we have developed this programme. Children will learn through a fun and interactive way what constitutes a healthy diet. How they can plan and prepare a range of healthy meals and understand the characteristics of a poor diet and risks associated with unhealthy eating. This will be connected with the importance of building regular exercise into daily and weekly routines with children encouraged through this programme to participate and design their own daily physical activity programmes.</p>	<p align="center">£335 one day course or £650 6 weeks 2 hour sessions</p>
---	--	--

<p>Linked to Key Indicators 1 and 2</p>	<p align="center">*Teaching Assistant Sugar Smart/Playground leader Training</p> <p>How can you increase 30 active minutes in your playground? This course will support TAs and meal time assistants in supporting the delivery of active games in playtimes and lunchtimes and how to support the playground leaders/sugarsmart leaders programme.</p>	<p align="center">£210 - 3 hour course delivered in ½ a day</p>
--	--	--

<p>Linked to</p>	<p align="center">*Sugar Smart Minis</p>	<p align="center">Bronze: £335 -</p>
-------------------------	---	---

<p>Key Indicators 1, 2 and 4</p>	<p>This programme is aimed at children age 4–7 (Key stage 1). It can be delivered through a range of sports including tag rugby, dance, balanceability, mini tennis and mini fencing. This can be delivered as a 2 hour session curriculum session or a 1 hour curriculum time session with a 1 hour after school club. The aim is to teach children in a fun and interactive way to be Sugar Smart at the same time as engaging in fun sports activities. Children will be awarded a certificate on gaining Sugar Smart Mini status.</p>	<p>5 hour course delivered in a day</p>
<p>Linked to Key Indicators 1 and 2</p>	<p>*Sugar Smart Leaders How Sugar Smart are the children in your school? Do they have the knowledge to make smart choices when it comes to choosing snacks, packed lunches or main meals? Do they regularly eat a balanced diet? This programme is aimed at teaching 16 – 20 pupils with strong leadership skills to become Sugar Smart, organising activities for younger children/peers to encourage them to be Sugar Smart and promoting healthy choices and physical activity in your school. This can also support you in gaining healthy schools status as it could be used as a case study in your school.</p>	<p>*Bronze Sugar Smart Leader: £335 - 5 hour course delivered in a day</p>
<p>Linked to Key Indicators 1 and 2</p>	<p>*Sugar Smart 30–30 Active Minutes Per Day How can you increase the number of children in your school to be active for 30 minutes per day? Could you improve your outside/inside space to promote daily physical activity? Could it be included in your curriculum in an innovative way? We will spend a day at your school looking at ways to improve physical activity and how your school can increase the number of active minutes for your children. As a result we will obtain quotes if required, produce a report for your school which will include recommendations for next steps, guidance and support on implementation.</p>	<p>£380</p>
<p>Linked to Key Indicators 1 and 2</p>	<p>*Sugar Smart Buddies This programme is aimed at supporting you in engaging parents in the Sugar Smart programme. We will run a workshop or a number of workshops which will enable your children to work alongside their parents in a fun and interactive way, promoting parental engagement at your school together with health and well-being with the ultimate goal of producing Sugar Smart buddies to support your children to become Sugar Smart.</p>	<p>£225- 3 hour course delivered in ½ a day (can be delivered as a twilight session)</p>
<p>Linked to Key Indicators 1 and 2</p>	<p>*Health and Well-Being MOT What does Health and Well-Being look like in your school? Do you know the next steps you need to take? We will provide a day of support in your school which you can design to meet the needs of H&WB in your school. This can include pupil/staff conferencing, health audits, curriculum mapping, support in developing Health and Well-Being days/weeks, activity plans to increase 30 active minutes for your children and guidance in accessing accreditation and/or funding for your commitment to Health and Well-Being.</p>	<p>£380</p>

<p>Linked to Key</p>	<p>*Healthy Active Lifestyles Package/Health and Well Being Day (Up to 75 children)</p>	<p>A day of activity will</p>
-----------------------------	--	-------------------------------

<p>Indicators 1, 2 and 4</p>	<p>We can support your school in the delivery of an innovative Health and Well-Being Day which will include a range of sports and activities. As this is an Olympic year, why not have an Olympic twist to your day. Two members of staff will deliver a programme of activities for your school and set up a timetable which will support a day of Health and Well-Being workshops. An additional charge can be made for larger numbers of children. An additional charge will also be made for the H&WB Chefs workshop to cover the cost of resources.</p>	<p>usually be a one off charge of £385 However, we will negotiate this with individual schools.</p>
-------------------------------------	--	--

<p>Linked to Key Indicators 1, 2 and 4</p>	<p>*Alternative Sports Day/Olympic Day (Up to 75 children) We can support your school in the delivery of an innovative Alternative Sports Day which will include a range of sports and activities. This could be in addition to your normal sports day. As this is an Olympic year why not have your own Olympic Day. Three members of the Arena team will deliver activities include Fencing, Lacrosse and Ultimate Frisbee. An additional charge can be made for larger numbers of children. The Alternative Sports Days can be used for focus groups: Girls Only, Service Pupil Premium, Disengaged Pupils or Pupil Premium.</p>	<p>A day of activity will usually be a one off charge of £485 However, we will negotiate this with individual schools.</p>

All these prices are correct at the time of going to print May 2024. Arena reserves the right to amend or make any changes should it be necessary to maintain a high quality service.

PE and School Sport

Key Indicators - The Department for Education vision is that all pupils leaving primary school are physically literate and have the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport. The objective is to achieve self-sustaining improvement in the quality of PE and sport that delivers high quality provision of a balanced and holistic PE and school sport offer. There are 5 key indicators that schools should expect to see improvement across:

1. Increased confidence, knowledge and skills of all staff in teaching PE and sport
2. The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
3. The profile of PE and sport is raised across the school as a tool for whole-school improvement
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport
